

Old Government House

Case Study: Old Government House Brisbane

Products | Z600 Heritage Galvanised Neo Roman 1564m²

Old Government House

Situated in the heart of Brisbane's CBD, cradled by the city's Botanic Gardens and Brisbane River, Old Government House is the most historical building in Queensland. Recognising this importance, Fielders modified their Neo Roman Profile from a single pan to a two pan profile; precisely duplicating the building's existing profiles. The result is a high quality finish expertly crafted using Fielders heritage products.
