## Adelaide Zoo

When Wang Wang and Funi came to Adelaide's shores from China, Adelaide Zoo gave these two rare Pandas the home they deserved. Hassell produced an imaginative design bristling with unique Fielders' products, Shadowline, Flatlock Panel, Nailstrip and Panelform as well as its flagship concealed fix KingKlip® deck. The result was a beautiful and functional home for our distinguished guests from Overseas that is guaranteed not to leak, after all we need to pander to them until they go back home.
