Patios, Carports & Verandahs

Fielders Centenary Patios, Carports & Verandahs offering you flexibility in design, choice and appearance

A Fielders attached or freestanding Centenary Carport, Verandah or Patio is the perfect finishing touch to your home. Sturdy yet stylish, the Centenary range will add value and living space to your home – whether as a sheltered outdoor area for family and friends, for special entertaining occasions, or covered protection for your car, a Centenary addition can bring the outside in. Compare for yourself; you will find the Centenary range gives you a lot more for your money. Now That's Entertaining!

The Fielders Centenary range provides a level of flexibility unmatched by other manufacturers. You can specify your carport in any length and width beyond 10 metres. Roofing comes in your choice of over 20 colours, with a range of steel, polycarbonate and gable infill profiles.

Fielders starts with innovation.

At Fielders, we've spent over a century building a great reputation for our ideas and innovations in steel. We believe that better designs mean less limits, and more freedom for you.

We take this freedom philosophy all the way to the finish; that's why we offer Fielders steel products in an extraordinary variety of durable finishes, including COLORBOND® and ZINCALUME®.

Roofing, Cladding & Rainwater Goods Choice. Variety. Durability.

COLORBOND® Steel is the pre-painted coating technology with a legendary reputation for durability in Australia's punishing climate. Incorporating Super Polyester, COLORBOND® Steel delivers strength, long-life performance, and the benefit of a finish that keeps its new look, resisting fading and discoloration. Fielders delivers roofing and rainwater goods in no fewer than 20 standard COLORBOND® colours, offering opportunities to match, contrast, and create unique looks in domestic and commercial applications.

The features of COLORBOND® Steel

Colour

A modern range of designer colours offering a solution for any project.

Design Flexibility

Flexible in design – contemporary, traditional, curved, the possibilities are endless.

Durability

With its corrosion resistant ZINCALUME® steel base and baked on paint finish, COLORBOND® steel protects your investment from the harshest of Australian climates.

Leading Edge Technology

One of the most advanced roofing materials in the world, with a steel base, conversion layer, polyester primer and a durable exterior grade topcoat.

Thermal Efficiency

With a wide range of lighter, contemporary colours, COLORBOND® Steel can help reduce energy impact and achieve thermal performance ratings.

Warranty

Fielders and BlueScope Steel offer various warranties on COLORBOND® Steel projects. Refer to www.fielders.com.au for more details.

Developing sustainable products, solutions and technologies

Committed to working towards improved environmental outcomes in the manufacturing processes. COLORBOND® Steel is 100% recyclable.

COLORBOND®, BlueScope and ®colour names are registered trade marks of BlueScope Steel Limited. ™ colour names are trade marks of BlueScope Steel Limited. The COLORBOND® steel colour shown above are a guide only and not for colour accuracy. We recommend checking your chosen colour against the actual sample of the product before purchasing.

Fencing

Fielders Dominator fencing in exclusive choices.

Fielders Dominator fencing offers smart design choices from post and rail to lattice-top panel fence...and a selection of finishes no-one else can offer.

Fielders has steel fencing in a range of standard colours as well as several attractive tones that are exclusive to Dominator.

Match your home. Contrast your panels. Enjoy the freedom of creating a fence that can be a real feature, or a seamless blend with your home and landscaping look.

Fielders Dominator Fencing Systems offers superior designs and durable finishes giving a look that lasts with an absolute minimum of maintenance.
